

If you do not see the Partial Refund button described below and do not see the checkbox described for full refunds you need to contact iATS (888-955-5455) and request that you be authorized to make refunds and they will apply these tools to your account.

## To Process a Partial Refund through IATS

When processing a partial refund, you must first log-in to our site: <https://www.iatspayments.com/portal/login> using your client code with your "01" sub code (your admin code) on the end.

Go to the "Reports" tab at the top of the page.  
Click the Journal link.

Once you are on this page:

1. Enter in the date when the original transaction was made. The date field is right beside the Client Code field, it is easiest to click on the calendar icon itself and enter it in that way, rather than entering it in manually.
2. Press the "CC Approval" tab.
3. Locate the transaction which you wish to issue the partial refund. Click on the "Partial Refund" button on the far right edge of the screen.
4. Enter the dollar amount of the transaction you wish to refund.
5. Press "Refund". (Please note that you will only be able to refund the maximum amount of the transaction.)

The screenshot shows the iATS Payments portal interface. At the top, there is a navigation bar with 'Reports', 'Virtual Terminal', 'Aura Form Setup', 'Settings', and 'Help'. Below this, the 'Journal' page is displayed, featuring a search bar with 'Client Code' set to 'TEST' and a 'Date' field. A modal window titled 'Refund Transaction' is open, showing details for a transaction: Customer Name (Leinad Ewes), Card Type (VISA), Card Number (4111\*\*\*\*\*1111), Expiry Date (12/25), and Refund Amount (1.00). The modal also includes a 'Max Amount: 1.00' field and a 'Result' field. Below the modal, a table of transactions is visible, with columns for 'FULL REFUND', 'INVOICE', 'DATE', 'AGENT', 'CUSTOMER CODE', 'CCTYPE', 'FIRST NAME', 'LAST NAME', 'BIN', 'COUNTRY', 'CARD NUMBER', 'EXPIRY', 'FEE COVERED', 'INITIAL DONATION', 'PROCESSING FEE', 'TOTAL', 'IP', 'RESULT', and 'DETAIL'. The table contains two rows of transaction data. The second row has a 'Partial Refund' button highlighted in red. In the top left corner of the page, the 'Journal' link in the navigation menu is also highlighted in red.
